Life at St Michael's Court

Our Granny has been here for just over a year. She's had the best possible care; always clean, treated with dignity and respect and personal preferences taken into account. As we wheeled her along the corridor, all passing staff members greeted her by name!

All staff very friendly, very helpful and happy to assist visitors and make time to give information.

– Granddaughter of a resident

Our Care Services In Aylsham

Residential

Residential care at our care home enables residents to live as independently as possible, making the most of the facilities, events, and activities available, while having personal care and support readily on hand whenever needed.

Dementia

For those living with dementia, our care home is equipped with appropriate facilities and highly trained staff to provide excellent support and care tailored to each individual's needs.

Nursing

Nursing care at our care home supports residents to live as independently as possible, with 24-hour support from a qualified nursing team. Personalised care is always on hand, ensuring comfort, dignity, and wellbeing.

Respite

Short-term support is available for those who need assistance while their primary caregivers take a break. Our care home provides professional 24-hour care in a safe, nurturing environment, allowing loved ones to rest and recharge.

VERY GOOD

Activities

We recognise each resident is unique, with a wellbeing programme tailored to individual interests—supporting activity, confidence, and social connection through trips to local attractions, community events, walking groups, and daily activities within the home.

Minibus

We are pleased to provide a dedicated minibus service available at each home. This regular service enables safe, supported trips, community activities, and enjoyable days out, helping residents stay connected, maintain their independence, and experience meaningful moments beyond their everyday surroundings.

Food

We follow guidance from the British Dietetic Association and the Care Home Digest to support residents' nutritional needs. Freshly prepared meals cater to a range of dietary requirements and preferences, creating an enjoyable, social, and dignified dining experience.
