Life at Stafford Hall

My husband suffers with dementia. He has been in residential care at Stafford Hall for the last few months. We as a family are very pleased with the care he has received, the staff are so kind and have got to know him so well. Stafford Hall is bright, cheerful, clean and welcoming. It is very homely. After having visited a couple of other Homes we are so happy that we chose Stafford Hall.

Our Care Services In Benfleet

Residential Care

Residential care at our care home enables residents to live as independently as possible, making the most of the facilities, events, and activities available, while having personal care and support readily on hand whenever needed.

Dementia Care

For those living with dementia, our care home is equipped with appropriate facilities and highly trained staff to provide excellent support and care tailored to each individual's needs.

Respite Care

Short-term support is available for those who need assistance while their primary caregivers take a break. Our care home provides professional 24-hour care in a safe, nurturing environment, allowing loved ones to rest and recharge.

Activities

We recognise each resident is unique, with a wellbeing programme tailored to individual interests—supporting activity, confidence, and social connection through trips to local attractions, community events, walking groups, and daily activities within the home.

Minibus

We are pleased to provide a dedicated minibus service available at each home. This regular service enables safe, supported trips, community activities, and enjoyable days out, helping residents stay connected, maintain their independence, and experience meaningful moments beyond their everyday surroundings.

Food

We follow guidance from the British Dietetic Association and the Care Home Digest to support residents' nutritional needs. Freshly prepared meals cater to a range of dietary requirements and preferences, creating an enjoyable, social, and dignified dining experience.
