Apartments in Suffolk

Residential Care | Dementia Care | Respite Care

Situated in Hadleigh, Ipswich, our unique retirement home offers a space for individuals and couples searching for the perfect balance in senior living in Suffolk.

This beautiful, well established Ipswich care home has a limited number of easily manageable, self-contained, senior living apartments suitable for older people who wish to continue enjoying living independently, with the added benefit and peace of mind that 24-hour care support and access to a friendly and vibrant care home community is right on your doorstep.

At Waterfield House, we understand every resident is unique. Our wellbeing programme is tailored to individual interests, helping residents stay active, confident, and socially connected through outings, community events, walking groups, and a wide range of in-home activities.

What we offer:

Garden seating areas

Hair & Beauty Salon

Vibrant programme of social activities

Café & Restaurant

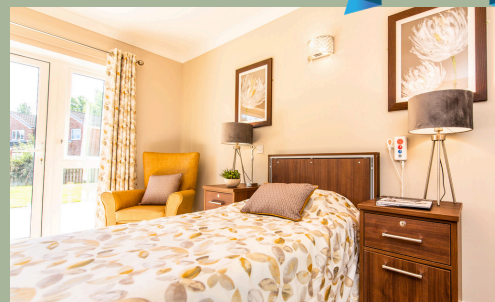

Minibus

TV in each room

Unlimited Wifi

”

Life at Waterfield House

I was very impressed with Waterfield House when I visited my sister in law for the first time. I was amazed at the way the staff looked after me until my sister in law arrived from hospital.

They have been very helpful every time I have been up to visit my sister in law. You feel very welcome as if you are family.

- Sister-in-law of a resident
