Life at Westwood

My mum has been a resident at Westwood for 18 months now and has been treated with nothing but care and dignity from the off. They took time to learn about my mums personality and behaviours and the carers that look after my mum on a daily basis couldn't be nicer. The activity plan that Westwood put on is great and everyone from the manager of the home to the chef and maintenance man are all caring and compassionate and go above and beyond to look after everyone.
