Residential Care | Dementia Care | Respite Care

Welcome to Huckleberry Lodge. Situated in Colchester, Essex, our 30-bed community operates alongside the main building of Loganberry Lodge offering residential, dementia and respite care. At Huckleberry Lodge, we place a real emphasis on celebrating the lives of each and every one of our residents.

Experience our spacious living areas and excellent facilities and features, including beautifully furnished, ensuite bedrooms with wall-mounted flat screen televisions, relaxing lounges, and a sociable conservatory area. Our dedicated area for dementia care and amenities provides residents with a rich and engaging lifestyle.

Residents of Huckleberry Lodge have access to all the amenities in the main Loganberry Lodge building, providing residents with a comfortable and welcoming care home environment in which to live. At Huckleberry Lodge, health and wellbeing is a top priority. Our friendly and professional team offers diverse types of care to meet a variety of needs, including residential care, dementia care and respite care.

What we offer:

Garden seating areas

Hair & Beauty Salon

Vibrant programme of social activities

Café & Restaurant

Minibus

TV in each room

Unlimited Wifi

Life at Loganberry Lodge

The carers are brilliant and the food is excellent. The rooms are very clean. Staff very supportive and caring.

- Daughter of a resident
